

TRINITY GOVERNA

Good afternoon! On behalf of the Class of 2020, I would like to welcome our families, the DHS Administration, Members of the Board of Education, Faculty, and our loved ones watching from home. We are very grateful and thankful for being able to celebrate this closing chapter of our high school career with you.

As I look into the sea of my fellow classmates, respectively six feet apart, I see a group of students who I couldn't be more proud to stand beside and finish this monumental moment in our lives. We have remained strong and resilient during these surreal times, despite how deeply saddened we felt. But we overcame and prospered and with that we thank you for your support and dedication for these past four years. We will continue to strive to make you all proud of us.

It is with great honor to speak on behalf of the class and to welcome all of you to the renowned Commencement Ceremony of the Class of 2020.
