Intramural Soccer

Online Registration (Intramural Soccer)

This is the online registration form for Delton Middle School Athletics and Intramural Programs. Every student wanting to participate in sports at Delton Middle School must complete and submit this online registration form and the Athletic Physical Exam Form to the school nurse by January 12, 2023 to ensure his or her physical is reviewed and approved by our district physician prior to the start of the season. Additionally, this online registration form must be completed by January 31, 2023. We are no longer using Family ID. During the school year completed Physical Exam Forms are to be submitted to the School Nurse.

Requirements for Participation in Middle School Athletics

All Physical Exam documents as well as the online agreements must be completed as prescribed by the State of New Jersey. The purpose is to protect the health, safety and welfare of your child. Physical Exam forms are collected and then must be approved by the School Physician; therefore, it may take up to two weeks for the approval process to be completed. Participation is only permitted after this authorization is granted.

Physical Exam Form

An athletic physical exam is valid for 265 days from the date of the examination. According to N.J.A.C. 8A:15-2.3(c) (4) (2), an incomplete form will be returned to the student's medical provider for completion. If your child's physical is valid the first practice/trial, then the physical is valid throughout that season.

The physical exam form can be found here or on the GHS website in the Athletics or Nurses pages. Paper copies are available in the main office. Review it and the instructions very carefully as failure to complete the form in its entirety will cause a delay and an extra visit back to your physician.

The first page is to be completed by the parent/guardian and signed by the student-athlete and parent/guardian.

The second page is only to be completed for the student-athlete with special needs.

These pages must be completed prior to the doctor's physical examination so he/she can review them.

The third and fourth page must be completed in its entirety by your physician.

Recommended submission date to be able to have your child start the first day of try-outs/practice:

Fall Sports August 15, 2022

Winter Sports October 6, 2022

Spring Intramural Soccer January 12, 2023

Spring Sports February 18, 2023

If your child has been diagnosed with asthma or any breathing affliction where an inhaler is required, an Asthma Treatment Plan must be completed by your physician.

Deadlines for Registration and Completion of Documents

Student-athletes completing any information late may be ineligible to participate when the season begins.

Fall Sports September 15, 2022

Winter Sports October 28, 2022

Intramural Soccer January 11, 2023

Spring Sports March 1, 2023
